No woman's happiness can be complete without children; it is her nature to love and want them as much as it is to love the beautiful and pure.

The critical ordeal through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of **Mother's Friend** so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful remedy is always applied externally, and has carried thousands of women through the trying crisis without suffering.

### Senate Passes the Urgency Deficiency Appropriation Bill

Washington, Feb. 4.—The senate today passed the urgency deficiency bill, carrying an appropriation of over \$24,000,000. ### The Perfect Woman is not a Fat One.

Artists say the ideal proportion of weight in a woman is 26 pounds for every foot of her height. This would make a woman of five feet four inches weigh 136 pounds 8 ounces.

If you weigh more than this in proportion you are on the danger line and are likely to get too fat in a few years. Check it by taking a teaspoonful after meals and at bed time of this receipt: 1 1/2 ounces of Marmola, 1 1/2 ounces Fluid Extract Cascara Aromatic and 3 1/2 ounces Syrup Simplex. Get the marmola sealed and mix it with the other ingredients at home. This mixture is harmless, will not cause wrinkles and has been known to take off seven pounds of fat a week without any help from exercise or dieting. It is inexpensive.

## AFFINITIES TO WED

EARL-KUTTNER ROMANCE IN WHICH ALL PARTIES INTERESTED SEEM HAPPY.

By Southwestern Press.

Paris, Feb. 6.—That Ferdinand Pinney Earle and Julia Kuttner, who started Americans by the announcement of their "affinity" creed last September, will be married shortly in Paris, is a rumor current here. Mrs. Earle now has an application for a divorce pending in the French courts. As soon as this is granted Earle and his "spiritual affinity" will be legally married. It is alleged that the present Mrs. Earle will witness the wedding, and thus give another shock to conventional morality.

Since coming to Paris the artist, his present wife and his future spouse have been seen much together and have gone off on many little trips together, each apparently treating the other with the utmost consideration and showing every evidence of affection in their conduct.

Parisians are immensely interested in the Earle-Kuttner romance, but there have been no such manifestations of hatred and disgust as were vented upon the artist in New York. There is almost universal praise for the novel attitude of Mrs. Earle in effacing herself in order to insure the happiness of her husband, and there is little blame for Earle or Miss Kuttner.

## CARTER COUNTY DEMOCRATS

The basis of representation in each precinct shall be one delegate and one alternate for each 20 votes or major fraction thereof cast at the last election for the democratic nominee for governor.

Each precinct is instructed to select one enthusiastic democrat for membership on the County Central Committee in case it should be the desire of the county convention to reorganize the central committee.

All white and Indian citizens who believe in the principles of good government as taught by Jefferson, exemplified by Bryan and practiced by the democrats of Oklahoma are respectfully invited to participate in these conventions.

Witness our hand this 5th day of February 1908.

## A CONSTANT ANNOYANCE

Half the nervousness, half the irritability that is so common in every day life, is really sickness, and in most cases a condition that accompanies kidney trouble.

It is the work of the kidneys to keep the blood free from uric acid and other poisons, but when the kidneys are sick, and not doing their duty the uric acid poison permeates the body, and attacks body, brain and nerves. The irritation causes nervousness, irritability, headache, dizzy spells; makes you languid, unfit for work, and inclined to worry over trifles. Besides, there is nothing more annoying than a bad back, and backache is the most common sign of kidney trouble. You feel lame and tired in the morning, suffer day and night with a dull aching in the back, and it hurts to stoop or bend or lift.

Keep your temper cool, and get the kidneys well. No person can feel cheerful and healthy if the kidneys are the least bit affected. A few doses of Doan's Kidney Pills, taken in the beginning, will set the kidneys right. Continued treatment cures cases of long standing.

Doan's Kidney Pills are for the kidneys only, and contain no poisonous nor habit-forming drugs. They relieve congestion and inflammation of the kidneys or bladder, heal and cure the

## AN ARDMORE CASE.

W. R. Woods, 821 B street, north-east, Ardmore, Okla., says: "I consider Doan's Kidney Pills a most valuable remedy for kidney trouble, as I used them, and they promptly relieved me of this complaint. For a long time I was annoyed by constant dull pains in my back and when the trouble was at its height I was in absolute misery. The kidney secretions were also badly disordered and caused a burning sensation during passage. Being sure that my kidneys were the cause of my suffering and having heard so much about Doan's Kidney Pills, I decided to try them, securing a supply at W. B. Frame's drug store. They soon disposed of the pains in my back and corrected the action of the kidney secretions."
